CORRIGENDUM 1

With Reference to Tender No CO:DIT:PUR:2021-22:325 RFP for "Disposal of E-WASTE", Please find revised instructions for submission of bids as under:

As per existing instructions, Sealed bids have to be submitted latest by 3:00 PM on 07.06.2021

Looking to the present Covid situation, it has been decided that the bids may also be submitted through e mail in **Password Protected Files** to cmcppadmin@centralbank.co.in

The submission of bids through e mail is in addition to Sealed bid. It has to be ensured by the prospective bidders that the information provided through sealed bids and that provided by e mail should match with each other.

Please note that there is no change in original schedule of submission of bids.
