Review Report to the Board of Directors of Central Bank of India

- 1. We have reviewed the accompanying statements of unaudited financial results of Central Bank of India (the "Bank") for the quarter and half Year ended September 30, 2018. The disclosures relating to "Pillar 3 under Basel III Capital Regulation", "Leverage Ratio" and "Liquidity Coverage Ratio" as have been disclosed in Bank's website and in respect of which a link have been provided in the aforesaid financial results have not been reviewed by us. These financial results are the responsibility of the Bank's Management and have been approved by the Board of Directors at their meeting held on November 14, 2018. Our responsibility is to issue a report on these financial statements based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of persons responsible for financial and accounting matters and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. The financial results incorporate the relevant returns of 20 branches reviewed by us, 60 branches reviewed by Concurrent Auditors and un-reviewed returns of 4586 branches. In the conduct of our review, we have relied on the review reports in respect of non-performing assets submitted by the Concurrent Auditors of 60 branches to the bank management. These review reports cover 51.94% of the advances portfolio of the bank excluding food credit and advances of Asset Recovery branches of the bank and 71.19% of the Non-Performing Assets of the Bank.

4. Based on our review as aforesaid, subject to the limitations in scope as mentioned in para 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with RBI circular (2016-17/29 DBS.ARS.No.BC.2/08.91.001/2016-17 dated 28/07/2016 w.r.t quarterly review of the account of public sector banks) including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.
